Hello! My name is

Irvine Stewart

I am your Table Coordinator Host.

**Now, I want to share information
on how to register for a table.**

You can register as an individual,

Or register as a couple,

Or you can as a group.

Find up to 10 people,

make up a name,

for instance, “Chocolate lovers”,

**that name, you add to the registration
by opening the group name.**

This means Chocolate Lovers

**who signs up as a group sits together
at the same table, right there,**

Seating is up to 10 people.

Or, another option,

**your Table Host can
gather all of your information,
money, and register for
for all of the 10 individuals,
into the registration form.
With understanding,
what's important,
those individuals inform the host,
your food preferences and,
some allergies, if needed, to inform the host.
The host can come up with a name,
again,
“Chocolate Lovers”,
then add the name to the form.
Then once done,
the host then informs everyone
their group name, “Chocolate Lovers”.
ADWAS 40th Anniversary Gala,
You will see me there,
you are not sure where,
I will be there,
to guide you to your table.**

**If you have any questions,
you can contact me at
adwasgala@gmail.com**

Looking forward to seeing you there.

**Oh, before I forget,
we have discounts.**

**Ten dollars
for a group at the table
the Host will gather funds
for you, each individual will
get 10 dollars each
discounted.**

Ten dollars, WOW!

**For Couples registered,
Twenty dollars deducted at discount rate!**

I look forward to seeing you there!
